

GIVE NEBRASKA

2022 Impact Report

Connections.

Last year, we announced a new name and new branding, which better conveyed the work that we do – connecting businesses and their employees with the nonprofit causes that make a difference in our community.

We've been doing this work for more than 40 years, growing our outreach, growing our network, and growing the impact of YOUR dollars in Nebraska.

Give Nebraska makes it easy for a company to support local nonprofits, for employees and donors to give back to the causes that have made a difference in their life or the life of someone close to them, for nonprofits to share their stories and successes with a broader audience.

Our Give Nebraska network connects us all.

THANK YOU to all of our donors, worksites, and volunteers. Because of you, our network of nonprofits have the support they need!

Give Nebraska, formerly Community Services Fund of Nebraska, has consistently grown our outreach to new businesses and nonprofits. We want to ensure that everyone working in Nebraska is able to easily and efficiently give to the causes that are most important to them. The more choices we can provide in an employee charitable giving campaign, the more engaged employees are with the campaign, and the more funds that are raised to support the valuable work of our nonprofits in Nebraska.

Why do we represent so many nonprofits? Because we know that everyone has a different passion. Everyone has been touched by a different nonprofit in their life. Everyone has experienced different challenges and joys and they want to support the causes that have been part of those experiences.

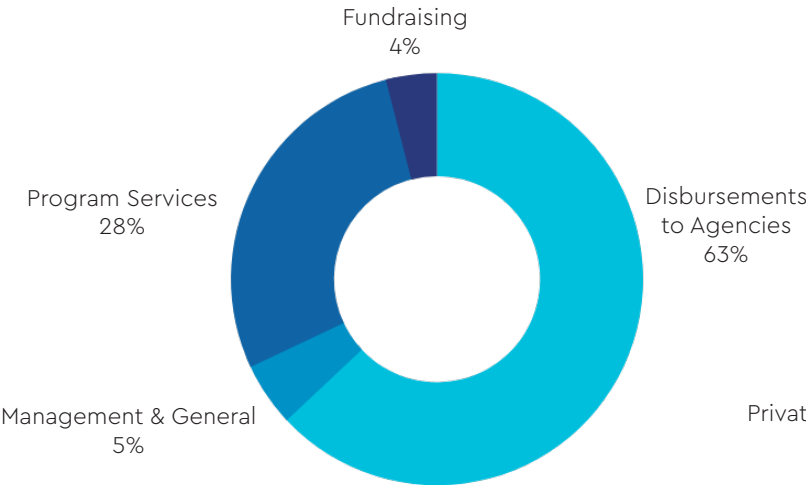

Give Nebraska is here to provide those options and to make giving easy. We truly believe everyone can be a philanthropist, regardless of the size of their giving. Your gifts make a difference. YOU MAKE A DIFFERENCE!

Sincerely,

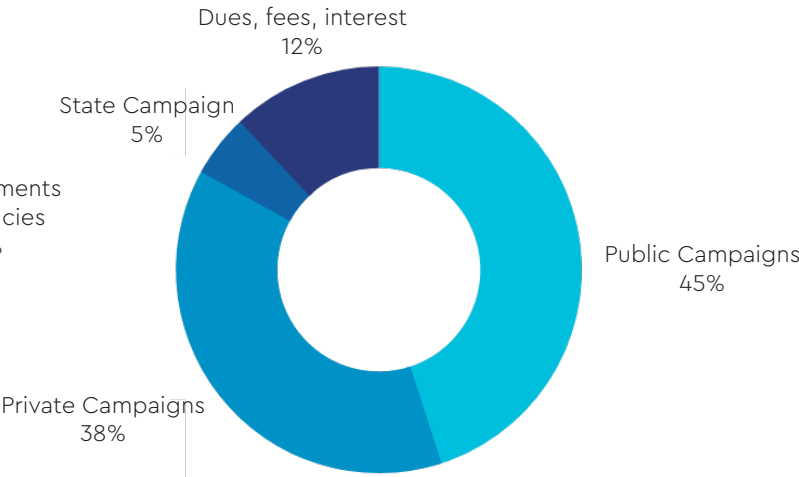

Melissa Filipi
Executive Director

A Message from the Board Chair

The past year held many important changes for Give Nebraska. First, we are officially named "Give Nebraska" with the tax documentation to prove it! This will wrap up our name transition over from Community Services Fund and continuing our legacy in recognized as a leader in campaign-based philanthropy in Nebraska. We are excited to continue the commitment to our member agencies and the work we've been doing for the past 41 years under a new name!

Give Nebraska tied up 2022 and launched 2023 with a Board of Directors retreat. Here we revisited and updated our strategic ends to continually prioritize our member agencies. Give Nebraska remains committed to finding innovative ways to spread awareness and knowledge of the necessary services our agencies are providing. From building houses, adopting pets, educating youth, and empowering individuals through advocacy, we believe in the power of donor choice! Give Nebraska works to support our 74 (and counting!) member agencies to better meet the needs of the populations they serve.

As board president, I'm excited to see what a new year holds for Give Nebraska. We will be wrapping up our Anniversary campaign of celebrating our 40 years as an organization and setting our sights to new strategies and goals. Of course, this work couldn't be achieved without the support and generosity of our donors—both to Give Nebraska, and those that donate to our member agencies. Cheers to the new year!

All My Best,
Liz Potter
