

Like a kid in a

CANDY SHOP

you've got choices

You don't have to make a mint to make a difference.

Your payroll deduction of \$5 or even \$1 can make your community a sweeter place to live, work, and play.

**Community
Services Fund
of Nebraska**

The Choice Is All Yours

**AS ANY FIVE YEAR OLD WOULD TELL YOU,
LIFE IS BETTER WHEN YOU GET TO CHOOSE.**

When you donate through Community Services Fund of Nebraska, it's up to YOU which causes you want to support.

You know what else is a good choice? Choosing to donate a small amount, automatically deducted from your paycheck each pay period.

**FUN-SIZED OR REGULAR YOUR GIFT MAKES
A KING-SIZED DIFFERENCE.**

Together Community Services Fund member agencies are making a huge impact in communities throughout the state with donations as small as \$1 given every pay period.

How It Works

- 1** Choose your cause(s).
- 2** Decide on the amount you want automatically deducted from your paycheck.
- 3** Multiply that number by the number of pay periods in a year for your total gift amount.
- 4** Pat yourself on the back for being one incredibly sweet (and generous) individual.

FAQs

Q: Is my donation to Community Services Fund (CSF) tax deductible?

A: Yes, CSF is a nonprofit 501(c)(3) organization, as are all of its member agencies. Gifts are tax deductible to the extent allowed by law.

Q: Why are there so many choices?

A: CSF's strength is in donor choice. No single federation could possibly fundraise for all nonprofit choices in our community. Community Services Fund was formed in 1981 in response to donors asking for more and different choices and to nonprofits looking for new sources of funding.

Q: Why give through CSF instead of directly to the agency?

A: Community Services Fund does not want to discourage a donor from giving directly to agencies. Payroll deduction is another way, and perhaps a better way, for you to support your community. Payroll deduction could be a better option because: 1) It's convenient to have donations deducted each pay period; and 2) It may allow the donor to give more money because it is spread over a year's time. And you can support multiple causes with a single gift.

Q: How does CSF evaluate the member agencies?

A: CSF evaluates the member agencies in two ways: agencies must provide updated financial and program information annually; secondly, they must participate in the running of Community Services Fund. It is a community-driven fund and CSF expects all agencies to participate.

"The Community Services Fund workplace giving option is an incredibly convenient way to make a positive difference. Donations are spread out over many months, rather than having to budget for writing one big check. I can choose organizations that align with my personal priorities and make sure that my contributions help people right here at home. I can't think of an easier way to make Lincoln better for all of us."
