

# GIVE NEBRASKA

## 2023 Impact Report

### Responsive.

As we talked with our workplace partners, our nonprofit members, and our community stakeholders, we heard the same thing – "Give Nebraska is there for us."

We want to make it easy for you to support the specific causes that are important to you, the causes that have made a difference in your life, for your family, neighbors, friends, and coworkers.

Giving through payroll deduction is one of the easiest ways to have an impact in your community. It's simple. It's automated. It adds up.

And it's good for your employer too! They can support their local community, while reflecting the values of their diverse workforce.

### How your dollars are making a difference...

**\$25** feeds the penguins for 1 day (Lincoln Children's Zoo)

**\$34** pays for 15 students to attend Beatmaking Club (Rabble Mill)

**\$40** buys a new pair of glasses for someone (Clinic with a Heart)

**\$96** helps subsidize free tickets for the veteran community (Lincoln's Symphony Orchestra)

## What's Next?

Forty years ago, Give Nebraska was created by four local nonprofits to provide additional funding through workplace giving campaigns. In the decades that followed, we have steadily and strategically expanded in total donor dollars, nonprofit members, and business partnerships.

We have added new nonprofit members based on feedback from you and other donors. We have updated our approach to workplace giving campaigns based on ideas from our volunteers and worksite partners. We have added fundraising options beyond the traditional employee giving campaign thanks to feedback from the community.

When we ask for your thoughts and ideas, please know that we will use them to adapt and grow. We strive to create Give Nebraska campaigns that increase your opportunities to get involved with the nonprofits that matter to you – whether through financial support, volunteering, or in ways that we haven't thought of yet!

Give Nebraska was founded and continues to exist to effectively connect you with nonprofits throughout our state. Together, we will continue to make a difference in the lives of all Nebraskans!

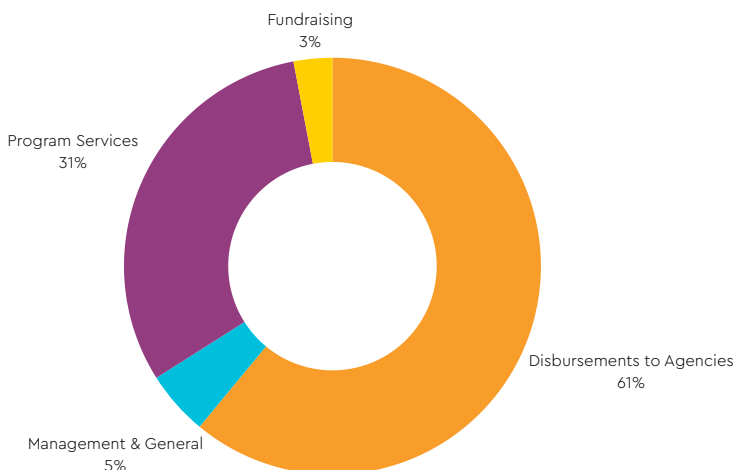

Sincerely,

Melissa Filipi  
Executive Director

## 2022-23 Income

As of June 30, 2023

Give Nebraska has provided valuable support to our nonprofit network. Unrestricted funding provides the underlying support for basic operations that are necessary and vital to the success of all our nonprofits. We fill that gap to better enable others to fund the individual programs of our nonprofits. Those are important too!

Nonprofits need a balance of funding for operations and impactful programs. You can't have one without the other. Give Nebraska is here to meet that need for our 76 nonprofit members.

You make it possible. Without your gifts through the annual workplace employee charitable giving campaigns and support of our other fundraising efforts, Give Nebraska wouldn't be able to regularly send unrestricted operating funds to all of our nonprofits.

THANK YOU for being part of this important work and making our community a better place for everyone!

## A Message from the Board

Happy New Year! Give Nebraska is honored to work alongside our dozens of member agencies who make a positive impact in communities across Nebraska. Give Nebraska was founded to give donors a choice and a voice. That mission continues today. Give Nebraska's giving model makes it possible for nonprofit organizations to access funding in a way that would be challenging to do alone. It also provides donors an opportunity to directly designate their contributions to causes that are important to them.

Give Nebraska is grateful to the member agencies and other supporters who have helped ensure our organization remains strong and sustainable well into the future. Work continues to grow workplace giving sites as well as add new member agencies.

We look forward to starting this new year strong and continuing our important partnership with member agencies, workplace giving partners, and our donors. Thank you for your ongoing support of Give Nebraska.
